Eligibility

Current IDEA members

Total CECs

0.2 CEC from ACE

0.3 CEC from NSCA

0.3 CEC from NASM

Additional credits may be available from other certifications.

CEC-Approved Articles

- Fed Up: Who's Ensuring America's Food Safety?
- Eating Disorders Among Athletes
- Good Nutrition for the Golden Years

Certification Agencies

IDEA has been awarded continuing education credits (CECs) or units (CEUs) from selected certification agencies. IDEA is recognized by the American Council on Exercise (ACE) as a Continuing Education Specialist. For those certified by the American College of Sports Medicine (ACSM), CECs from ACE may be applied toward the ACSM continuing education certification process. Additional agencies may accept these credits. Please contact your certification agency to inquire.

Submission Deadline

March 31, 2011

(3 years from publication)

Procedure

1. After reading the articles, complete the multiple-choice test and record your answers on the test answer form. Please select only one answer (a, b, c or d) per question. You may use a photocopy.
2. Return the test answer form, along with your credit card number or check, to this address:
IDEA Home Study
10455 Pacific Center Ct.
San Diego, CA 92121-4339
3. IDEA will mail a certificate of completion within 2 weeks of receiving your test answer form. You must have 80% of the answers correct to pass the test. Please forward all questions to (800) 999-4332, ext. 7, or (858) 535-8979, ext. 7.

1. **What are the federal agencies that primarily oversee the safety of food in the United States?**
 - a. the Centers for Disease Control and Prevention (CDC), the U.S. Department of Agriculture (USDA) and the Environmental Protection Agency (EPA)
